"Desiring; Seeking; Asking"**

Next Sunday morning we will have a special service called, "Desiring; Seeking; Asking."

The purpose of this service is for us to visually demonstrate our desire as individuals, families, and as a church family to be more aware of God's presence within us, around us, and among us.

The visual demonstration will be for each family member or individual to be anointed with oil. Oil in the Bible was used to symbolize God's presence, God's blessing, and God's selection for certain leaders. We will use the anointing of oil to demonstrate our desire to be filled with His Spirit and to be more aware of His presence. We are asking for His blessing and for His blessing to result in greater love for and obedience to Jesus.

The service is to include the whole family. We will not have nursery or children church. We will not be concerned about extra voices of children, in fact we welcome them. It will be a meaningful time of worship.
