Grounds Committee Help Needed

We need several men or women to work on a rotating schedule weed-eating around the church. We also need help cutting the grass, a riding mower is provided by the church for this task. If interested in helping this year for the first time or helped last year, but are willing to help this year as well, please contact Bob Russo at bobrusso@bellsouth.net or call him at 477-6768. Thank you.

Special Request for Directory Assistance

We want to provide our new worship pastor with a pictorial directory to make his transition into our church family and the learning of our names easier. Please send a jpeg version of an updated family photo to kcthornton2016@gmail.com and list the first and last name of each family member pictured. Please make sure pictures are fairly close up and with good lighting OR if you prefer, we will be in the library immediately after the service today and next Sunday and will take a photo for you. Thank you for your help with this important project.
