

# THE BOOK OF JOHN READING PLAN Week 9 Review

---

We are over half-way through in our journey through John's gospel. We finished chapter 11 and made our way into Chapter 12. Chapter 12 leads us into the week of Jesus' sufferings. In fact, the remaining chapters in John will focus primarily on 8 days of Jesus life. Amazing! Let's review.

## John 11:45-57

1. These are so incredible verses, especially about Caiaphas the High Priest. What do you see that is incredible about Caiaphas in these verses? What did he prophesy? Why do you think he doesn't seem to have a clue about the word God gave to him?

## John 12:1-43

1. What a contrast between Mary and Caiaphas. What did Jesus say Mary was actually doing by anointing His feet? In a sense, Mary was prophesying about Jesus giving His life. Yet, her heart was filled with worship, Caiaphas with hatred.
2. As the disciples looked back at Judas, what dawned on them about Judas?
3. Why do you think the Pharisees wanted to kill Lazarus?
4. What was Jesus announcing by this type entry into Jerusalem?
5. The Greeks wanted to see Jesus. What did Jesus say that they should be looking for about Him?
6. How was Isaiah's prophesy fulfilled?
